Section 2. If the jury or witness fees, exclusive of travel allowances, received by said employee for such jury duty or for service as a witness in court shall be less than the regular rate of compensation received by him/her from the Town, the difference between said fees and said regular rate of compensation shall be paid to such employee by the Town. As used in this paragraph, the phrase "regular rate of compensation" shall mean the amount of salary or wages which the Town would pay to such employee for the hours of work which he/she would normally perform during the fiscal time period otherwise consumed by his/her jury or witness service.

Section 3. When court leave is granted to an employee to appear in court as a defendant or litigant, it shall be granted without pay; provided however, that the said employee may, with the approval of the Chief, substitute one day of court leave with pay for one day of vacation leave with pay due to said employee during the year in which such court leave with pay is granted.

For the purposes of sick leave buy back in accordance with Section 7 below, for Units A and C, one sick tour shall be equivalent to 12 hours, provided, however, that one tour for the Deputy Chief of Operations shall be equivalent to eight (8) hours and one tour for the Fire Inspectors shall be equivalent to ten (10) hours. NO STRIKE CLAUSE

Recognizing that it is specifically provided in Chapter 150E of the General Laws to be unlawful for any employee of Local 1706 to engage in, induce, or encourage any strike, work stoppage, slowdown or withholding of services, Local 1706 agrees that neither it nor its officers or representatives will call, instigate, authorize, sanction or ratify any strike, slowdown or stoppage of work by employees of Unit C of the Needham Fire Department.

ARTICLE 18
STABILITY OF AGREEMENT

Section 1. No agreement, understanding, alteration or variation of the agreements, terms or provisions herein contained shall bind the parties hereto unless made and executed in writing by the parties hereto.

Section 2. The failure of the Town or Local 1706 to insist in any one or more incidents upon performance of any of the terms or conditions of this Agreement shall not be considered as waiver or relinquishment of the right of the Town or of Local 1706 to future performance of any such terms or condition, and the obligation of Local 1706 or of the Town to such future performance shall continue in full force and effect.

ARTICLE 19
SETTLEMENT OF GRIEVANCES

Section 1. A grievance is an employee's expressed feeling of dissatisfaction, presented in writing, concerning aspects of his/her employment or working conditions, which has not been resolved to the employee's satisfaction through informal discussion with the Fire Chief. Such grievance may relate to the interpretation or application of, or compliance with, any of the provisions of said Agreement. Grievances of the employees shall be advanced to the Town by Local 1706, but nothing in this Article shall prevent individual employees from presenting their own grievances, provided that representatives of Local 1706 are given notice of any grievance meeting between the Town and an individual employee, and an opportunity to attend such meeting, and further provided that any settlement of such individual grievances shall not be inconsistent with the terms of the Agreement.

Section 2. It is anticipated that the Town and Local 1706 will make a sincere effort to reconcile their differences. The following procedures are established for settlement of grievances:

Section 3. The employee's grievance must contain the following information:

- (a) a statement of the grievance which cites that part of the Agreement which has been violated, or the circumstances which gave rise to the grievance;
- (b) a statement of remedial action or relief sought;
- (c) evidence (documentary, if available) to support the grievance; and
- (d) a statement of reasons why the aggrieved believes that the remedy should be granted.

The foregoing statement of grievance content standards shall not prevent Local 1706 from changing its position as to one (1) or more of the elements of grievance content in the course of pursuing the grievance procedures.

Section 4. Step One Any grievance must be presented for informal discussion within ten (10) business days of the occurrence of the event(s) giving rise to the grievance, or, within ten (10) business days of Local 1706's gaining knowledge of such event(s), whichever is later.

Section 5. Step Two Any grievance left unresolved after a five (5) business day period devoted to such informal discussion may be presented to the Chief in written form within five (5) business days of the termination of the informal discussion period. The Chief must make his/her decision in writing within five (5) business days after receipt of the grievance unless it is agreed by Local 1706 that additional time to answer is allowed. If the grievance is denied by the Chief, the Chief must set forth in writing the reasons for such denial.

Section 6. Step Three Should the grievance remain unsettled, it shall be presented to the Director of Human Resources within ten (10) business days after the decision of the Chief is rendered, otherwise the matter will be considered resolved. The Director of Human Resources shall make his/her decision within fifteen (15) business days after receipt of the grievance unless it is mutually agreed by Local 1706 that additional time to answer is allowed.

Section 7. Step Four

- (a) Should the Union wish to appeal the decision of the Director of Human Resources, it shall present the grievance to the Personnel Board within ten (10) business days after the decision of the Director of Human Resources is rendered, otherwise the matter will be considered resolved. If, after its own investigation, the Personnel Board agrees with the decision of the Director of Human Resources, the Personnel Board will issue a decision.
- (b) If the Personnel Board determines that it will require additional information before issuing a decision, it will convene a meeting of the Joint Resolution Committee (JRC). The JRC will be comprised of two (2) members of the Personnel Board, two (2) members of the Board of Selectmen and the Town Manager.
- (c) The JRC shall present its findings to the Personnel Board. Three (3) affirmative votes of the JRC will be required to overturn the decision of the Director of Human Resources (Step 3). If the JRC is deadlocked, voting two (2) for and two (2) against the previous ruling, the Personnel Board shall then issue a decision based upon the majority vote of the Personnel Board.
- (d) The Personnel Board will issue a decision within 30 business days of receipt of the grievance by the Director of Human Resources. The time-frames in this section may be extended at the agreement of the parties.

Section 8. Arbitration

- (a) Should the grievance remain unsettled after the decision of the Personnel Board, Local 1706 may, by giving written notice to the Town Manager, submit the grievance to arbitration. Such notice shall be given within fifteen (15) business days from the date of the decision of the Personnel Board. If such written notice is not given, the grievance shall be deemed to be settled.
- (b) In the event that Local 1706 elects to submit a grievance to arbitration, the arbitrator shall be selected according to, and be governed by, the following procedure: The arbitrator is to be mutually selected by the Town and the Union. If the Town and Local 1706 cannot agree within fifteen (15) business days after the written notice

specified above of the intention to arbitrate, then the party demanding arbitration shall, within five (5) business days thereafter, request the American Arbitration Association to provide a panel of arbitrators. Said arbitrators are then to be selected under the provisions of the Voluntary Labor Arbitration Rules.

- (c) The fees of the American Arbitration Association and of the arbitrator and the expenses of any required hearings shall be shared equally by Local 1706 and the Town, but each party shall bear the expenses of its representatives, participants, witnesses and for the preparation and presentation of its own case. The obligation of the Town and its agents under the terms of this section shall be limited to those obligations which the Town and its agents may legally undertake, and in no event shall any present or future member of the Personnel Board or the Town Manager have any personal obligation for payment under the provisions of this contract.
- (d) The arbitrator's award shall be in writing and shall set forth the arbitrator's findings of fact with reasoning and conclusions. The arbitrator shall arrive at his/her decision solely upon the facts, evidence and contentions presented by the parties through the arbitration proceeding. The arbitrator shall have no power to add to, subtract from or modify any of the terms of this Agreement, and in reaching his/her decision shall interpret the Agreement in accordance with the commonly accepted meaning of words used herein and the principle that there are no restrictions intended on the rights or authority of the Town or Fire Chief other than those expressly set forth herein. The award of the arbitrator shall be final and binding upon the Town, its officers and agents and upon Local 1706 and the employees whom it represents.
- (e) Notwithstanding anything to the contrary, no dispute or controversy shall be the subject of arbitration unless it involves the interpretation or application of provisions of this Agreement. The parties may, by mutual agreement, submit more than one pending grievance to the same arbitrator.

Section 9. Any decision relating to eligibility for non-occupational sick leave, pursuant to the Compensation Adjustment Option program contained in Article 25 shall be at the sole discretion of the Fire Chief and shall not be subject to the grievance procedure contained in this article.

ARTICLE 20

SEPARABILITY AND SUBORDINATION TO EXISTING LAW

Should any of the provisions of this Agreement become doubtful or questionable because of existing federal or state legislation, a Town By-Law, a Civil Service rule or regulation, or a decision by a court of competent jurisdiction, the remainder of this Agreement shall not be affected thereby.

Subject to the provisions of Chapter 150E of the General Laws, nothing in this Agreement shall diminish the authority and power of the Civil Service Commission, any Retirement Board or Personnel Board established by law.

ARTICLE 21

EFFECT OF AGREEMENT

- (a) This Agreement contains and constitutes the entire Agreement between the Town and Local 1706, Unit C, arrived at as a result of collective bargaining. No amendment, extension or alteration of this Agreement and no other agreement between the parties hereto which is inconsistent with the terms hereof shall be effective or enforceable unless it is in writing and signed by the parties hereto.
- (b) The parties acknowledge that during the negotiations which resulted in this Agreement each had the unlimited right and opportunity to make demands with respect to any subject or matter not removed by law from the area of collective bargaining, and that the understanding and agreements arrived at by the parties after the exercise of that right and opportunity are set forth in this Agreement, each voluntarily and unqualifiedly waives the right, and each agrees that the other shall not be obligated, to bargain collectively with respect to any subject or matter referred to, or covered by this Agreement.
- (c) The waiver of any breach or condition of this Agreement by either party shall not constitute a precedent with respect to future enforcement of all terms and conditions of this Agreement.
- (d) No provisions of this Agreement shall be retroactive prior to the effective date unless otherwise specifically stated herein.
- (e) Where this Agreement requires the appropriation of funds or other vote on the part of the Town to effect the carrying out of any provision hereof, to that extent this Agreement is subject to such action as may be taken by the Town Meeting pertaining to the required appropriation or other vote.

The stipend and any overtime associated with this program paid to the Haz-Mat team member will not be paid out of the \$445,000 contractual overtime appropriation.

Interruption of such employment for the purpose of performing military service shall not be deemed to break the continuity of service with the Town in calculating benefits payable under this paragraph, provided that no employment other than military service is entered into by the employee during the period of said interruption. Subject to the approval of the Town Manager, a full-time employee whose employment has been interrupted through no fault of his/her own and who has been subsequently reinstated to full-time employment, may be given credit for longevity purposes for such prior Town service.

Rates of Compensation An employee's weekly rate shall be his/her annual rate divided by 52. An employee's hourly rate shall be the appropriate annual rate divided by 52 divided by 42.

Compensation Adjustment Option

1. At anytime an employee may elect a one-time cash payment adjustment to his/her annual compensation package. This payment will be based on the following formula; the current rate of pay multiplied by 25% of the compensation adjustment factor as of the date of enrollment in this option multiplied by twelve (12). The compensation adjustment factor will be a number equal to any portion of an employee's non-occupational sick leave credit

(expressed in tours) accrued as of the date of enrollment and maintained while in the program. The date of enrollment shall be defined as the date of the first payment hereunder. This payment will be made in equal weekly installments over a minimum twelve (12) and a maximum thirty-six (36) months, commencing no sooner than July 1st following the employee's notice of intent to participate which must occur by October 1st for the following fiscal year.

2. An amount of sick leave allocation used as the basis of arriving at the compensation adjustment factor under this option shall remain available for use in accordance with Article 12, Sections 3 and 5; however such amount shall be ineligible to be used for payment under the provisions of Article 12, Section 6.
3. Bargaining unit members may elect a compensation adjustment factor equal to no more than 288 tours of sick leave credit available as of the date of enrollment; provided, however, that such election does not result in a sick bank with fewer than 12 tours as of the date of enrollment. Such notice of intent shall be irrevocable upon the issuance of the first payment, and a specified amount of sick leave credit (not to exceed 288 tours) equal to the number used for the compensation adjustment factor will remain available for use under the provisions of Article 12, Sections 3 and 5. In the event that an employee elects this option and retires while participating in the program, the Town will pay the remainder of the compensation adjustment factor as sick leave buy-back due in a lump sum at severance, in accordance with the provisions of Article 12, Section 7.
4. Nothing in this section shall prohibit members of the bargaining unit from consideration under Article 12, Section 6 of this agreement.

It is understood that compensation adjustment option payments will not be included in the calculation of overtime under this contract subject to the provisions of the Fair Labor Standards Act (FLSA).

Hiring Above the Minimum Entrance Rate Upon the recommendation of the Fire Chief, the Town Manager may approve the payment of a rate of pay higher than the minimum rate at the time of promotion if such payment would result in an increase in pay determined not to be commensurate with the increase in responsibility at the time of promotion.

**Needham Fire Department
Drug and Alcohol Policy
October 1, 2016**

1. INTRODUCTION AND PURPOSE

- 1.1 This policy has been adopted to address potential drug and alcohol abuse by Fire Department personnel, to ensure a safe, healthy and productive work environment, to protect the health and welfare of the citizens of the Town of Needham, and to assure compliance with the Federal Drug-Free Workplace Act of 1988. These procedures provide the Town with reasonable measures to ensure that drug and/or alcohol use does not jeopardize the public or the Department's ability to serve its citizens.
- 1.2 It is the general intent of the policy to create a humanitarian program. Treatment and discipline are both important aspects of the plan. Drug and alcohol testing, which will be part of the program, is intended in part as a means of identifying those who need help.
- 1.3 The Town will not tolerate any drug or alcohol use which could affect an employee's job performance. The public has a right to expect that sworn personnel will carry out their duties in a safe and reliable manner, free from the effects of drug or alcohol use. This policy replaces any and all earlier policies or procedures on drug testing and applies to all sworn personnel.

2. PROHIBITED CONDUCT

- 2.1 The following conduct by members of the bargaining unit is prohibited:
 - a. The use, transfer, manufacture, sale or unauthorized possession of illegal drugs.
 - b. The use or unauthorized possession of alcohol on Town property, on Town business, in Town supplied vehicles, in vehicles being used for Town purposes, or during working hours.
 - c. Reporting to or staying at work with the metabolite of an illegal drug in the blood, or with a blood alcohol level of 0.04 or above.
 - d. Driving under the influence of alcohol or drugs while on duty.
 - e. Switching or adulterating any sample.
 - f. Refusing to consent to testing, or refusing to submit a breath or urine sample for testing.

- 2.2 Any employee who is arrested or convicted of a drug-related offense or for driving while intoxicated must notify the Chief within 24 hours of the arrest or conviction, or upon return to duty for his or her next shift, whichever is shorter. Such arrest or conviction will be considered reasonable suspicion and the employee will be required to submit to testing in accordance with section 4.1.2.

3. PROHIBITED DRUGS

- 3.1 Controlled Substances For the purposes of this policy, prohibited drugs include all substances included in Schedules I through III of the Controlled Substances Act (21 U.S.C. §812). Included among those drugs by way of example are marijuana, cocaine, opiates, phencyclidine (PCP), amphetamines and methamphetamines.

- 3.2 Prescription Medication An employee who is taking a controlled substance under a valid prescription should check with his or her physician to ensure that the medication will not interfere with the employee's ability to perform job functions safely and efficiently. Any questions or doubts should be raised with the Fire Chief.

4. TESTING

- 4.1 All members of the bargaining unit will be tested for drugs and/or alcohol under the following circumstances:

4.1.1 New Hires New employees will submit to a drug test before their date of hire.

4.1.2 Reasonable Suspicion of Drug and/or Alcohol Use

- a. When the Town has reasonable suspicion that an employee has reported to work or is working while impaired by drugs or alcohol, or has used illegal drugs, the Town will direct the employee to report for a drug and/or alcohol test.
- b. The determination of "reasonable suspicion" shall be made based on specific, observable phenomena, such as: direct observation of on-duty alcohol use or possession; direct observation of on-duty or off-duty use or possession of illegal drugs; the display of behaviors which appear to be indicative of the use of any illegal drug or alcohol, and are not attributable to other factors; a pattern of abnormal conduct, erratic behavior or deteriorating work performance, including but not limited to, frequent absenteeism, excessive tardiness, or frequent accidents, not attributable to other factors and which appear to be related to drug and/or alcohol abuse; arrest, indictment, or conviction for a drug-related offense; and/or behavior which is determined to pose a substantial risk of injury or property damage, which is not attributed to other factors, and which appears to be related to drug and/or alcohol abuse.
- c. The determination of reasonable suspicion may be made by the Fire Chief, the Deputy Chief of Operations, or in their absence by two (2) or more trained supervisors (Deputy Chief,

Acting Deputy Chief, Captain, Acting Captain, Lieutenant, and Acting Lieutenant). In those instances when the determination of reasonable suspicion is made by two supervisors, both supervisors will complete and sign an Observed Behavior Reasonable Suspicion Record as shown on Appendix B.

- d. The Town will provide reasonable suspicion training for all members of the Department. Upon implementation of this policy, reasonable suspicion training will be conducted on duty. The Town will provide periodic refresher training for all Department staff that will be conducted on duty. The training is intended to ensure that all personnel are able to identify situations when their own personal safety or that of their coworkers may be at risk by someone exhibiting signs of a substance abuse problem or under the influence of drugs or alcohol. Any employee who feels that his or her wellbeing is threatened by someone who may be either under the influence of drugs or alcohol or who may have a substance abuse problem should report those concerns to any ranking Fire Officer who will then immediately report those concerns to the Fire Chief or make a determination of reasonable suspicion in accordance with section 4.1.2 (c) above.
- e. An employee will be placed on administrative leave while waiting for a test result based on reasonable suspicion.

4.1.3 Post-Incident Any employee involved in an accident, or an incident on the job involving an unsafe practice or violation of a safety rule, standard or policy, either of which results in serious injury or serious property damage, will be directed by the Town to submit to a drug and/or alcohol test.

4.1.4 Return to Duty When an employee tests positive for drugs or alcohol, he or she will be required to submit to a return to duty drug and/or alcohol test after assessment by a substance abuse professional (SAP), completion of treatment, if any is required, and clearance to return to full-duty is provided by the SAP. In order to return to duty, the employee must have a BAC of less than .02 and/or a verified negative drug test. Without a successful test result, the employee is considered to be unqualified to continue to perform work-related-functions. The cost of the return to duty test will be borne by the Town.

4.1.5 Follow-up Testing An employee who has violated the drug and alcohol policy, but has not been discharged, may be required to submit to follow-up testing as a condition of his or her continued employment at the discretion of the Fire Chief. A program of follow-up testing will be set forth in writing and will generally continue for a period of no longer than two (2) years. During a follow-up testing period, an employee will be subject to a reasonable number of unannounced tests for drugs and/or alcohol.

4.2 Testing Procedures

4.2.1 Alcohol Testing Alcohol testing will be conducted in accordance with the

Department of Transportation Regulations (49 CFR part 40).

- 4.2.2 Drug Screening Drug screening for prohibited drugs using urinalysis will be conducted in accordance with the Department of Transportation Regulations (49 CFR part 40).

4.3 Re-tests

- 4.3.1 The Urine drug screen process will include provisions for split sample collection in accordance with DOT regulations.
- 4.3.2 Alcohol testing will include provisions for re-testing in accordance with DOT regulations.
- 4.3.3 The Town shall immediately place any employees who have requested a re-test on administrative leave pending the outcome of the re-test.
- 4.3.4 The cost of the re-test will be borne by the employee. If the result of the re-test result is negative, the employee shall be reimbursed for the costs of the test.

- 4.4 Any test in which proper procedures are not followed, in which chain of custody is breached, in which a split sample test results in a negative test, when the MRO deems the test to be negative, or which is invalidated for any reason, through no fault of the employee will be deemed a negative result. The sample and the results will be destroyed.

- 4.5 All negative samples will be destroyed, and all positive samples will be destroyed after any appeal period has been exhausted. Samples will not be tested for any purpose other than the drugs specified.

- 4.6 Test results and medical information will be provided to and maintained by the Human Resources Department.

- 4.7 Off-duty employees directed to be tested by the Town in accordance with this policy will be paid overtime in accordance with the applicable provisions of the Collective Bargaining Agreement.

5. SEARCHES

The Town has the right to search for alcohol or drugs on Town owned or controlled property, including in desks, Town vehicles, and lockers, that may conceal substances prohibited by this policy. During any such search one or more union members may be present.

6. CONSEQUENCES OF VIOLATION OF THE POLICY

- 6.1 Employees who test positive for alcohol and/or drugs will be placed on administrative leave.

- 6.2** Employees who are confirmed to have tested positive for drugs or alcohol will be subject to disciplinary action up to and including termination. Employees who do not agree to enter into a Rehabilitation Agreement will only be allowed to return to work, if appropriate, in accordance with the Return to Duty and Follow-up testing provisions set forth in Section 4.
- 6.3** Employees who agree to enter into a Rehabilitation Agreement in accordance with this policy and Appendix A will have any imposed disciplinary action suspended pending the completion of the rehabilitation, provided that the employee has not tested positive for drugs within the preceding five (5) years or tested positive for alcohol within the preceding three (3) years. An employee who successfully completes the rehabilitation and returns to work in accordance with the provisions outlined below will not be required to serve the imposed disciplinary action. Rehabilitation provisions will apply only to the positive test result; an employee may be subject to additional disciplinary action for any related offense or violation of the rules and regulations of the Needham Fire Department.
- 6.4** Employees who enter into a Rehabilitation Agreement must be evaluated by a Substance Abuse Professional (SAP) and comply with any treatment recommendations to assist them with an alcohol or drug problem. The payment of the recommended treatment will be at the expense of the employee (or his or her health insurance program, if applicable). Employees will be placed on non-occupational sick leave, accrued leave, or leave without pay status, whichever is appropriate, during the treatment period. Employees who fail to comply with the treatment required by the SAP will be subject to disciplinary action up to and including termination.
- 6.5** Employees who have been evaluated by a Substance Abuse Professional, who are cleared by the SAP to perform all of their essential functions, who comply with any recommended treatment, who have taken and passed a return to duty test, and who are subject to unannounced follow-up tests, may return to work. As a condition of employment, the employee must comply with prescribed follow-up care, if any.
- 6.6** Employees who have returned to work under these conditions and who subsequently test positive for drugs or alcohol in accordance with this policy within five (5) or three (3) years, respectively, will be terminated immediately. An employee who tests positive for drugs or alcohol after the five (5) or three (3) year period will be subject to disciplinary action or offered rehabilitation provisions as if it were a first positive test.
- 6.7** Failure to adhere to the terms of a rehabilitation agreement shall result in disciplinary action up to and including termination.
- 6.8** If the Town suspends disciplinary action in accordance with section 6.3, time limits for challenging the disciplinary action will begin when and if the disciplinary action is actually imposed.

7. SELF-REPORTING AND SAFE HARBOR

Employees who voluntarily seek substance abuse treatment for alcohol or drugs and who make a written disclosure to the Fire Chief prior to being tested in accordance with Section 4 will not be subject to disciplinary action if they agree to enter into a rehabilitation agreement as set forth under Section 6. The Safe Harbor option will be available to each employee once during his or her career in the Needham Fire Department, and will not be considered a positive test for the purposes of Section 6.6.
